

## PAYING YOUR SPONSORSHIP MONEY

The following sponsorship form makes it easy for you to take part and ensures that you do not have to pay all of your sponsorship money in advance.

At the airfield, you must pay for your **jump and your training** on the day, but your sponsorship money a minimum of **£195** is not due until four weeks after you have completed your jump. This is sent by you direct to your chosen charity or group, minus your jump fee and deposit, which **you reimburse yourself for, provided you raise a minimum sponsorship level for your jump of £395.**

## BOOKING DEPOSIT

You must provide the standard **£40** non-refundable booking deposit at least two weeks before you want to jump bearing in mind you need to raise the minimum amount of sponsorship required for your jump.

**Static Line Jump:** Payment for your jump will be required on the day. The fee stands at **£160**.

**Note:** All jumps require you to send in your booking deposit and reservation form before we can start organising your jump.

Please do this **ASAP** so that we can give you a date to prepare yourself for what has been described as 'the experience of a lifetime'.

**Reserve your place today!**
